Dept	9:15am Cranley Gardens(opposite Wood Vale) 9:30 Pages Lane
Return	arrive back in Muswell Hill apprx 6:30 - 7pm
Cost:	£20

Our second outing of the **season** will be to **Wisley Gardens** - <https://www.rhs.org.uk/gardens/wisley>

Wisley, I am sure needs no introduction, many of you will have been before. It is the flagship garden of the RHS.

The new Welcome building and surrounding landscape has transformed the entrance to Wisley, putting design, plants and horticulture at the forefront for visitors to enjoy.

This first phase of Wisley's transformation features a beautiful, spacious and airy arrivals hall with a 100-seater table-service restaurant, café and shop with indoor and outdoor seating. Hundreds of beautiful artisan products and books combine to create the perfect place to browse, shop or meet friends.

The buildings are grouped around an open-air 'village square' adjacent to Seven Acres, with plenty of space to relax and provide a focal point for events at the garden.

Our visit co-incides with the annual Wisley flower show. There will be more than 50 specialist nurseries providing visitors with the chance to gain expert advice and browse quality plants for sale. There will also be a range of garden furniture, accessories, art and more. So there will be plenty of opportunity to crunch your credit card!!

Surrey NAFAS will presenting colourful floral artwork and the National Dahlia Society Show will feature spectacular displays.
